

# Evolving or Devolving? The Changing Nature of the Science-Policy Interface

A panel discussion focused on the many ways that bridging the gap between science and policy has **changed** over the years.

## Distinguished guest panelists:

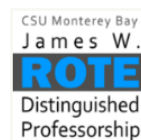

**John Laird** - Former California Secretary of Natural Resources

**Fred Keeley** - Former California State Assemblymember

**Catherine Freeman** - Chief Consultant for the CA State Assembly Committee on Water, Parks & Wildlife

**Moderated by James Lindholm** - CSUMB Marine Science Chair & Rote Professor
