

CSUMB Fall Undergraduate Research Awards 2017-2018

The CSU Council on Ocean Affairs, Science and technology (COAST) is now offering support for CSUMB undergraduates working with COAST faculty members on marine, coastal, and coastal watershed related research projects. Awards of up to \$500 can be used for research expenses.

See <http://ifame.csUMB.edu/opportunities.html> for more details.

Applications Accepted:
Oct. 1- Nov. 11, 2017
