

STRANGE FISH IN WEIRD PLACES

WHAT?

WE ARE INTERESTED
IN IMAGES OR
SHORT VIDEOS
OF FISHES AND
INVERTEBRATES
FOUND IN
LOCATIONS
AND/OR DEPTHS
AT WHICH THEY
HISTORICALLY
HAVEN'T BEEN
SEEN.

WHY?

RECENT
OCEANOGRAPHIC
CHANGES HAVE
EXTENDED
SPECIES RANGES
NORTH ACROSS
THE STATE.
YOUR INPUT
CAN HELP US
BETTER UNDERSTAND
CALIFORNIA'S
MARINE ECOSYSTEMS
IN THE CONTEXT
OF CLIMATE
CHANGE.

HOW?

PLEASE SUBMIT THE
FOLLOWING
INFORMATION FOR
EACH IMAGE OR CLIP
TO THE LINK BELOW:

- SPECIES ID
- LOCATION
- DEPTH (IF AVAILABLE)
- TIME AND DATE
- NAME
