

ED RICKETTS MEMORIAL AWARD AND LECTURE

Beneath Pacific Tides:

The wondrous glowing realm of deep-sea biodiversity

Dr. Steven Haddock

Senior Scientist and Marine Biologist
Monterey Bay Aquarium Research Institute

TUESDAY, APRIL 10TH, 7:00-8:00 PM

Event Location:

Moss Landing Marine Laboratories
8272 Moss Landing Road, Moss Landing, CA

No RSVP - seating is limited - please arrive on time

The Ed Ricketts Memorial Lecture was created to honor scientists who have exhibited exemplary work throughout their career and advanced the status of knowledge in the field of marine science. The first award was presented in 1986. Recipients are selected by the Monterey Bay National Marine Sanctuary Research Activity Panel.
